PROXY STATEMENT
FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), Enphase Energy, Inc. (sometimes referred to as the “Company,” “Enphase,” “we” or “us”) has elected to provide access to our proxy materials over the internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders of record. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about March 31, 2017 to all stockholders of record entitled to vote at the annual meeting (the “Annual Meeting”).

Will I receive any other proxy materials by mail?

We do not expect to send any proxy materials by mail unless requested.

How do I attend the annual meeting?

The meeting will be held on Thursday, May 18, 2017 at 9:00 a.m. local time at our principal office located at 1420 N. McDowell Blvd., Petaluma, CA 94954. Directions to the Annual Meeting may be found at www.enphase.com/contactus. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on March 20, 2017 will be entitled to vote at the Annual Meeting. On this record date, there were [XX] shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 20, 2017 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 20, 2017 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are four matters scheduled for a vote:

1. Election of directors
2. Approval of 2017 Employee Incentive Plan
3. Ratification of the appointment of the Company’s independent registered public accounting firm
4. Advisory vote on the compensation of the Company’s named executive officers

4.
• Election of two nominees as Class II directors to serve until the 2020 Annual Meeting of stockholders or until their successors have been duly elected and qualified;
• To approve an amendment to the Company’s Amended and Restated Certificate of Incorporation to increase the number of authorized shares of common stock from 100,000,000 to 125,000,000 shares.
• To approve an amendment to the Company's 2011 Employee Stock Purchase Plan (the “ESPP”) to increase the aggregate number of shares of common stock authorized for issuance thereunder by 3,000,000 and increase the maximum number of shares by which the authorized shares of Common Stock under the ESPP may be increased annually under the evergreen provisions of the ESPP.
• Ratification of selection by the Audit Committee of the Board of Directors (the “Audit Committee”) of Deloitte & Touche LLP as independent registered public accounting firm of the Company for its fiscal year ending December 31, 2017.

What if another matter is properly brought before the meeting?

The Board of Directors (the “Board”) knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may vote “For” all the nominees to the Board, or you may “Withhold” your vote for any nominee you specify. For each other matter to be voted on, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

• To vote through the internet, go to http://www.proxyvote.com to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your vote must be received by 11:59 p.m., Pacific Time on May 17, 2017 to be counted.
• To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
• To vote over the telephone, dial toll-free 1-800-579-1639 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your vote must be received by 11:59 p.m., Pacific Time on May 17, 2017 to be counted.
• To vote by mail, you may do so by first requesting printed copies of the proxy materials by mail and then filling out the proxy card and sending it back in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from Enphase. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank, or contact your broker or bank to request a proxy form.

We provide internet and telephone proxy voting to allow you to vote your shares on-line or by telephone, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.
How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 20, 2017.

What if I submit a proxy card but do not make specific choices?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record and submit a proxy card or otherwise vote without marking any voting selections, your shares will be voted as follows:

- “FOR” the election of each of the two nominees named in this proxy statement to serve on the Board;
- “FOR” the approval of the amendment to the Company’s Amended and Restated Certificate of Incorporation;
- “FOR” the approval of the amendment to the ESPP; and
- “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

If any other matter is properly presented at the Annual Meeting, your proxy holder (one of the individuals named on the proxy card) will vote your shares as recommended by the Board or, if no recommendation is given, will vote your shares using his or her best judgment.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank. If you are a beneficial owner of shares registered in the name of your broker, bank or other nominee, and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee may vote your shares if they have discretionary authority to vote on the particular matter. Brokers do not have discretionary authority to vote shares with respect to Proposal No. 1, the election of directors, with respect to Proposal No. 2, the approval of the amendment to the Company’s Amended and Restated Certificate of Incorporation, or with respect to Proposal No. 3, the approval of the amendment to the ESPP, but they do have discretionary authority, if not otherwise directed, to vote shares with respect to Proposal No. 4, the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to Enphase’s Corporate Secretary at 1420 N. McDowell Blvd., Petaluma, CA 94954.
- You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy timely provided to us is the one that is counted.
If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

**When are stockholder proposals due for next year's annual meeting?**

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 1, 2017, to Enphase's Corporate Secretary at 1420 N. McDowell Blvd., Petaluma, CA 94954, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). If you wish to submit a proposal that is not to be included in next year's proxy materials, but that may be considered at the annual meeting of stockholders to be held in 2018, you must do so in writing following the above instructions not earlier than the close of business on January 18, 2018 and not later than the close of business on February 17, 2018. We advise you to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations, including the different notice submission date requirements in the event our annual meeting for 2018 is held more than 30 days before or after May 18, 2018. The section titled “Nominating and Corporate Governance Committee” in this proxy statement provides additional information on the director nomination process.

**How are votes counted?**

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count “For,” “Withhold” and broker non-votes with respect to the election of directors, and, with respect to Proposal No. 2, Proposal No. 3 and Proposal No. 4, “For” and “Against” votes, abstentions and broker non-votes, if applicable.

Abstentions and broker non-votes will be treated as shares present for the purpose of determining the presence of a quorum for the transaction of business at the Annual Meeting. Abstentions will be counted towards the tabulation of shares present in person or represented by proxy and entitled to vote and will have the same effect as “Against” votes on Proposal No. 2, Proposal No. 3 and Proposal No. 4. Broker non-votes have no effect and will not be counted towards the vote total for any proposal except Proposal 2. For Proposal 2, broker non-votes will have the same effect as “Against” votes.

**What are “broker non-votes”?**

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the New York Stock Exchange, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested) and executive compensation, including the advisory stockholders votes on executive compensation. Proposal No. 1, the election of the two nominees for director, Proposal No. 2, the approval of the amendment to the Company’s Amended and Restated Certificate of Incorporation, and Proposal No. 3, the approval of the amendment to the ESPP, are “non-routine” matters. Proposal No. 4, the ratification of the selection by the Audit Committee of Deloitte & Touche LLP as the independent auditors of Enphase for its fiscal year ending December 31, 2017, is a “routine” matter.

**How many votes are needed to approve each proposal?**

- For the election of directors, Proposal No. 1, the two nominees receiving the most “For” votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “For” or “Withheld” will affect the outcome. Proxies may not be voted for a greater number of persons than the number of nominees named.
- To be approved, Proposal No. 2, the approval of the amendment to the Company’s Amended and Restated Certificate of Incorporation, must receive “For” votes from the holders, either in person or by proxy, of a majority of the outstanding shares entitled to vote on the matter. If you mark your proxy to “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will also have the same effect as “Against” votes.
- To be approved, Proposal No. 3, the approval of the amendment to the ESPP, must receive “For” votes from the holders of a majority of shares present in person or by proxy and entitled to vote. If you “Abstain” from voting, it will have the same effect as an “Against” vote.
To be approved, Proposal No. 4, ratification of the selection by the Audit Committee of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for its fiscal year ending December 31, 2017, must receive “For” votes from the holders of a majority of shares present in person or by proxy and entitled to vote. If you “Abstain” from voting, it will have the same effect as an “Against” vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were [XX] shares outstanding and entitled to vote. Thus, the holders of [XX] shares must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Who should I contact if I have any questions?

If you have any questions about the Annual Meeting, our proxy materials or your ownership of our common stock, please contact our Investor Relations Department, at 1420 N. McDowell Blvd., Petaluma, CA 94954 USA, telephone 1-877-797-4743.
PROPOSAL 1

ELECTION OF DIRECTORS

CLASSIFIED BOARD

The Board presently has six members. The Board is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director appointed by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director’s successor is duly elected and qualified.

The term of office of the Class II directors will expire at the 2017 Annual Meeting. Each of the nominees listed below is currently a director of the Company previously elected by the stockholders. If elected at the Annual Meeting, each of these nominees would serve until the 2020 annual meeting and until his successor has been duly elected and qualified, or, if sooner, until the director’s death, resignation or removal.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of such substitute nominee as our Nominating and Corporate Governance Committee of the Board (the “Nominating and Corporate Governance Committee”) may propose. Each person nominated for election has agreed to serve if elected. The Company’s management has no reason to believe that any nominee will be unable to serve.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the NASDAQ Stock Market (“NASDAQ”) listing standards, a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the board of directors. In addition, applicable NASDAQ rules require that, subject to specific exceptions, each member of a listed company’s audit, compensation and nominating committees be independent within the meaning of applicable NASDAQ rules. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act.

Our Board undertook a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board determined that all of our directors, other than Mr. Nahi, qualifies as an “independent” director within the meaning of the NASDAQ rules. Accordingly, a majority of our directors are independent, as required under applicable NASDAQ rules.

In making this determination, our Board considered certain relationships and transactions that occurred in the ordinary course of business between the Company and entities which some of our directors are or have been affiliated. The Board considered the following relationships and transactions that occurred during any 12-month period within the last three fiscal years and determined that they were not material transactions that would impair the particular director’s independence or interfere with their exercise of independent judgment in carrying out their responsibilities as directors:

• Former Board member Jameson McJunkin’s affiliation with Madrone Capital Partners, one of our stockholders. Mr. Kortlang’s affiliation with Kleiner Perkins Caufield & Byers (“KPCB”), one of our stockholders.
• Former Board member Robert Schwartz’s affiliation with Third Point Ventures, one of our stockholders.
• Mr. Rodgers’ purchase of 5,406,574 shares of our common stock in a private financing in January 2017.

Our non-employee directors have been meeting, and we anticipate that they will continue to meet, in regularly scheduled executive sessions at which only non-employee directors are present.

BOARD LEADERSHIP STRUCTURE
Our Board has a Lead Independent Director, Mr. Gomo, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors. Accordingly, the Lead Independent Director has substantial ability to shape the work of the Board. The Company believes that having a Lead Independent Director reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having a Lead Independent Director creates an environment that is more conducive to objective evaluation and oversight of management’s performance, increasing management accountability and improving the ability of the Board to monitor whether management’s actions are in the best interests of the Company and its stockholders. As a result, the Company believes that having a Lead Independent Director can enhance the effectiveness of the Board as a whole.

**ROLE OF THE BOARD IN RISK OVERSIGHT**

One of the Board’s key functions is informed oversight of the Company’s risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee of the Board (the “Compensation Committee”) assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. In addition, the Board meets with certain members of our executive team, including the heads of our different organizational functions, who discuss the risks and exposures involved in their respective areas of responsibility as well as any developments that could impact our risk profile or other aspects of our business.

**MEETINGS OF THE BOARD OF DIRECTORS**

The Board met 5 times during the last fiscal year. Each Board member attended at least 75% or more of the aggregate number of meetings of the Board and of the committees on which he served, held during the portion of the last fiscal year for which he was a director or committee member.

**INFORMATION REGARDING COMMITTEES OF THE BOARD OF DIRECTORS**

The Board has three committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which has the composition and responsibilities described below.

**Audit Committee**

The Audit Committee was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act, to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee, among other things:

- evaluates the performance of and assesses the qualifications of the independent auditors;
- determines and approves the scope of engagement and compensation of the independent auditors;
- confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; and
- establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters.

Our Audit Committee also has certain responsibilities, including without limitation, the following:

- determining whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors;
- reviewing and approving the retention of the independent auditors to perform any proposed permissible non-audit services;
• reviewing and approving or rejecting transactions between the Company and any related persons; and
• reviewing and discussing with management and the independent registered public accounting firm our annual audited and quarterly financial statements, the results of the independent audit and the quarterly reviews, and the reports and certifications regarding internal control over financial reporting and disclosure controls.

The Audit Committee is composed of three directors: Messrs. Gomo, Kortlang and Weber. The Audit Committee met 7 times during the 2016 fiscal year. The Audit Committee has adopted a written charter that is available to stockholders on the Company’s website at http://investor.enphase.com/corporate-governance.cfm.

The Board reviews the NASDAQ listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company’s Audit Committee are independent, as required by Rule 5605(c)(2)(A)(i) and (ii) of the NASDAQ listing standards. In making this determination, our Board considered Mr. Kortlang’s affiliation with KPCB, one of our stockholders, the percentage of the Company’s outstanding shares of common stock beneficially owned by KPCB and its affiliates, the related party transactions to which Mr. Kortlang and/or KPCB have been a party, and determined that such affiliation, beneficial ownership and transactions do not materially affect Mr. Kortlang’s independent judgment.

The Board has also determined that Mr. Gomo qualifies as an “audit committee financial expert,” as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Gomo’s level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for public reporting companies.

Report of the Audit Committee of the Board of Directors

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2016 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 1301, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (the “PCAOB”) in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Mr. Steven J. Gomo
Mr. Benjamin Kortlang
Mr. John H. Weber

Compensation Committee

Since February 5, 2016, the Compensation Committee has been composed of two directors: Messrs. Mora and Weber. From February 13, 2014 to February 5, 2016, the Compensation Committee was composed of three directors: Messrs. Mora, Weber, and former director Robert Schwartz. All members of the Company’s Compensation Committee have been and are “independent,” as required by Rules 5605(a)(2) and 5605(d)(2) of the NASDAQ listing standards. The Compensation Committee met 1 time during the fiscal year, and acted by unanimous written consent on several other occasions. The Compensation Committee has adopted a written charter that is available to stockholders on the Company’s website at http://investor.enphase.com/corporate-governance.cfm.

The Compensation Committee acts on behalf of the Board to review and adopt, or recommend to the Board for adoption, and oversee the Company’s compensation strategy, policies, plans and programs, including:

• approving or recommending for approval to our Board the compensation and other terms of employment of our executive officers;
• reviewing and approving performance goals and objectives relevant to the compensation of our executive officers;

13.
evaluating and recommending to the Board for approval the compensation plans and programs, as well as evaluating and recommending to the Board for approval the modification or termination of existing plans and programs;
• reviewing and approving the type and amount of compensation to be paid or awarded to Board members;
• administering our equity incentive plans;
• establishing policies with respect to equity compensation arrangements;
• reviewing and approving the terms of any employment agreements, severance arrangements, change in control protections and any other compensatory arrangements for our executive officers;
• reviewing the adequacy of our Compensation Committee charter on a periodic basis; and
• reviewing and evaluating, at least annually, the performance of the Compensation Committee.

Compensation Committee Processes and Procedures

The Compensation Committee meets annually and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with our Chief Executive Officer and Vice President of Human Resources. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company, as well as authority to obtain, at the expense of the Company, advice and assistance from internal and external legal, accounting or other advisors and consultants and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant’s reasonable fees and other retention terms.

In 2016, the Compensation Committee engaged Compensia, Inc. (“Compensia”), a national compensation consulting firm, as compensation consultants to:

• evaluate the efficacy of the Company’s existing compensation strategy and practices in supporting and reinforcing the Company’s long-term strategic goals; and
• assist in refining the Company’s compensation strategy and in developing and implementing an executive compensation program to execute that strategy.

In 2016, the Compensation Committee reviewed the independence of Compensia pursuant to the criteria set forth in Rule 10C-1 under the Exchange Act and the applicable NASDAQ listing standards and found no conflict of interest.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of the Board, and developing a set of corporate governance principles for the Company.

The Nominating and Corporate Governance Committee is composed of two directors: Messrs. Kortlang and Rodgers. In 2016, the Nominating and Corporate Governance Committee was composed of three directors: Messrs. Kortlang, and former directors Neal Dempsey and Jameson McJunkin. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Nominating and Corporate Governance Committee met one time during the 2016 fiscal year. The Nominating and Corporate Governance Committee...
Committee has adopted a written charter that is available to stockholders on the Company’s website at http://investor.enphase.com/corporate-governance.cfm.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, having demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company’s stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors’ overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors’ independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates’ qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee, to date, has not adopted a formal policy with regard to the consideration of director candidates recommended by stockholders and will consider director candidates recommended by stockholders on a case-by-case basis, as appropriate. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether the candidate was recommended by a stockholder. To date, the Nominating and Corporate Governance Committee has not received any such nominations nor has it rejected a director nominee from a stockholder or stockholders holding more than 5% of the Company’s voting stock. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to our Corporate Secretary at the following address: 1420 N. McDowell Blvd., Petaluma, CA 94954, at least 120 days prior to the annual meeting of the Company’s proxy statement for the last annual meeting of stockholders. Submissions must include the full name of the proposed nominee, a description of the proposed nominee’s business experience for at least the previous five years, complete biographical information, a description of the proposed nominee’s qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company’s stock and has been a holder for at least one year. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

**COMMUNICATIONS WITH THE BOARD OF DIRECTORS**

We have not adopted a formal process for stockholder communications with the Board. However, every reasonable effort has been made to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. Our stockholders may direct communications to a particular director or to the directors generally, in care of Enphase Energy, Inc. 1420 N. McDowell Blvd., Petaluma, CA 94954 USA.

In addition, any interested person, including any stockholder, may communicate directly with our non-management directors. Persons interested in communicating directly with our non-management directors regarding any concerns or issues may do so by addressing correspondence to a particular director, or to our non-management directors generally, in care of Enphase Energy, Inc. 1420 N. McDowell Blvd., Petaluma, CA 94954 USA. If no particular director is named, letters will be forwarded, depending upon the subject matter, to the Lead Independent Director, or the Chair of the Audit Committee, Compensation Committee or Nominating and Corporate Governance Committee.

**CORPORATE GOVERNANCE**
Our Board has adopted Corporate Governance Guidelines (the “Guidelines”) that outline, among other matters, the role of the Board and the responsibilities of various committees of the Board. These Guidelines are available, along with other important corporate governance materials, on our website at http://investor.enphase.com/corporate-governance. The Guidelines assure that the Board of Directors will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The Guidelines are also intended to align the interests of directors and management with those of our stockholders. The Guidelines set forth the practices that the Board intends to follow with respect to board composition and selection, the role of the Board, director orientation and education, director compensation, board meetings and involvement of senior management, board committees, Chief Executive Officer performance evaluation and succession planning and board assessment.

CODE OF CONDUCT

The Company has adopted the Enphase Energy Code of Business Conduct and Ethics (the “Code of Conduct”) that applies to all officers, directors and employees. The Code of Conduct is available on the Company’s website at http://investor.enphase.com/corporate-governance. If the Company makes any substantive amendments to the Code of Conduct or grants any waiver from a provision of the Code of Conduct to any executive officer or director, the Company intends to promptly disclose the nature of the amendment or waiver on its website.
PROPOSAL 2

APPROVAL OF INCREASE IN NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

OVERVIEW

Our Board of Directors is requesting stockholder approval of an amendment to the Company’s Amended and Restated Certificate of Incorporation to increase the Company’s authorized number of shares of Common Stock from 100,000,000 shares to 125,000,000 shares.

Our Board of Directors has no present plans or proposals to issue the additional shares of Common Stock that would be authorized by this Proposal 2.

REASONS TO APPROVE THE INCREASE IN NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors believes that the proposed increase in the number of authorized shares of Common Stock is desirable in order to enhance our flexibility in taking possible future actions, such as raising additional equity capital, exchanging equity for debt or other transactions that have similar effect, stock-based acquisitions, stock splits and dividends, equity compensation awards or other corporate purposes. The proposed amendment will allow the Company to accomplish these objectives without further stockholder approval. By approving the increase now, in advance of any specific need or plans, we will be able to act in a timely manner when such a need arises or when our Board of Directors believes it is in the best interests of the Company and our stockholders to take action, without the delay and expense that would be required at that time to obtain stockholder approval of such an increase as a special meeting of stockholders.

If the proposed amendment is adopted, the newly authorized shares would be unreserved and available for issuance. No further stockholder authorization would be required prior to the issuance of such shares of Common Stock by the Company, except where stockholder approval is required under NASDAQ rules.

In addition to the [XX] shares of Common Stock outstanding on March 20, 2017, there were:

- 2,565,327 shares reserved for future issuance under the Company’s stockholder approved 2011 Equity Incentive Plan, as amended;
- 368,217 shares reserved for future issuance under the Company’s 2011 Employee Stock Purchase Plan, as amended and as may be further amended upon approval of Proposal 3;
- 1,220,000 shares of Common Stock which may be issued upon exercise of warrants currently held by those Lenders party to the Amended and Restated Loan and Security Agreement, dated as of February 10, 2017;
- 5,433,793 shares of common stock issuable upon the exercise of outstanding stock options with a weighted-average exercise price of $4.36 per share; and
- 450,361 shares of common stock issuable upon the vesting of outstanding restricted stock units.

The additional Common Stock to be authorized by adoption of the amendment would have rights identical to the currently outstanding Common Stock of the Company. Adoption of the proposed amendment and issuance of the Common Stock would not affect the rights of the holders of currently outstanding Common Stock of the Company, except for effects incidental to increasing the number of shares of the Company’s Common Stock outstanding, such as dilution of the earnings per share and voting rights of current holders of Common Stock. The increase in authorized Common Stock could make more difficult or discourage attempts to obtain control of the Company, thereby having an anti-takeover effect. The increase in authorized shares of Common Stock is not being proposed in response to any known threat to acquire control of the Company.

If the stockholders approve Proposal 2, we will file a Certificate of Amendment to our Amended and Restated Certificate of Incorporation to amend Article IV, Section A, in its entirety, to read as follows:

(A) This Corporation is authorized to issue two classes of stock to be designated, respectively, “Common Stock” and “Preferred Stock.” The total number of shares that this Corporation is authorized to issue is One Hundred and Thirty-Five Million (135,000,000) shares, each with a par value of $0.00001 per share. One Hundred and Twenty-Five Million (125,000,000) shares shall be Common Stock and Ten Million (10,000,000) shares shall be Preferred Stock.
Except for this paragraph, all of the remaining provisions in Article IV of the Amended and Restated Certificate of Incorporation would remain in full force and effect without change. The text of the proposed amendment is subject to modification to include such changes as our Board determines to be necessary or advisable to effect this Proposal 2.

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock will be required to approve this amendment to the Company’s Amended and Restated Certificate of Incorporation.

If the amendment is adopted, it will become effective upon filing of a Certificate of Amendment of the Company’s Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware.

The Board of Directors Recommends
A Vote In Favor Of Proposal 2.
The Board is asking the stockholders to approve the following amendments to the Company’s 2011 Employee Stock Purchase Plan (the “ESPP”): (i) an increase of 3,000,000 shares (from 368,217 shares to a total of 3,368,217 shares) of common stock available for issuance under the ESPP; and (ii) an increase of 369,604 shares (from 330,396 shares to a total of 700,000 shares) of common stock used to calculate the maximum automatic increase in the number of shares each year pursuant to the evergreen provision of the ESPP, commencing on January 1, 2018.

The ESPP is an employee benefit program that enables qualified employees of the Company and its designated subsidiaries to purchase shares of the Company’s common stock through payroll deductions. The purposes of the ESPP are to assist qualified employees of the Company and its subsidiaries in acquiring a stock ownership interest in the Company and to encourage them to remain in the employ of the Company and its subsidiaries. The ESPP is intended to qualify for favorable federal income tax treatment under Section 423 of the Internal Revenue Code of 1986, as amended (the “Code”).

We believe that the ESPP provides a valuable opportunity for employees to acquire an ownership interest in the Company and provides stockholder value by aligning employee and stockholder interests. We rely on equity incentives to attract and retain our employees, and we believe that such incentives are essential to our long-term growth and future success. The proposed share increases will ensure that a sufficient reserve of common stock remains available under the ESPP to allow us to continue to provide equity incentives to our employees on a competitive level.

Should our stockholders fail to approve the amendment of the ESPP, it will continue to remain in effect in accordance with its current terms. However, because only 368,217 shares of common stock remained available for issuance under the ESPP as of March 20, 2017, our ability to use this form of equity-based compensation to attract, retain and motivate our employees in what is a very competitive hiring environment would be constrained.

The terms and provisions of the ESPP are summarized below. This summary, however, does not purport to be a complete description of the ESPP. The ESPP has been filed with the SEC as an appendix to this proxy statement and may be accessed from the SEC’s website at www.sec.gov. The following summary is qualified in its entirety by reference to the complete text of the ESPP.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE AMENDMENT OF THE COMPANY’S 2011 EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES RESERVED FOR ISSUANCE

Description of 2011 Employee Stock Purchase Plan

Summary. The ESPP was originally adopted by the Board on June 10, 2011 and approved by the stockholders in March 20, 2012. The ESPP became effective on the date of the underwriting agreement between the Company and the underwriters managing the initial public offering of the Company’s common stock, which was March 29, 2012.

As of March 20, 2017, there were 368,217 shares of common stock available for future issuance under the ESPP. On February 23, 2017, the Board approved the amendment of the ESPP, subject to stockholder approval, to increase by 3,000,000 shares the number of shares of common stock authorized for issuance under the ESPP, and to increase by 369,604 shares the number of shares of common stock used to calculate the maximum automatic increase in the number of shares each year pursuant to the evergreen provision of the ESPP, commencing on January 1, 2018. If this Proposal 3 is approved, the additional shares that are the subject of this Proposal 3 will be available to satisfy rights granted under the ESPP in the purchase periods that will commence on May 16, 2017.

Purpose. The purpose of the ESPP is to provide a means by which eligible employees of the Company (and any parent or subsidiary of the Company designated by the Board to participate in the ESPP) may be given an opportunity to purchase common stock of the Company through payroll deductions, to assist the Company in retaining the services of its employees, to secure and retain the services of new employees, and to provide incentives for such persons to exert maximum efforts for the success of the Company and its affiliates. As of March 20, 2017, approximately 344 employees are eligible to participate in the ESPP.

Administration. The Board administers the ESPP and has the final power to construe and interpret both the ESPP and the rights granted under it. The Board has delegated administration of the ESPP to the Compensation Committee. As used herein with respect to the ESPP, the “Board” refers to the Company’s Board of Directors or any committee the Board appoints.
to administer the ESPP, including the Compensation Committee. The Board has the power, subject to the provisions of the ESPP, to determine when and how
rights to purchase shares of common stock will be granted and the provisions of each offering of such rights (which need not be identical). In addition, the
Board has the power to settle all controversies regarding the ESPP and purchase rights granted under it.

**Stock Subject to ESPP.** A total of 669,903 shares (on a pre-split basis) were initially authorized for issuance upon adoption of the ESPP. In addition,
the number of shares available for issuance under the ESPP automatically increases on January 1st of each year, commencing in 2013 and ending on (and
including) January 1, 2021 by an amount equal to the lesser of (i) 1% of the total number of shares outstanding on December 31st of the preceding calendar
year; or (ii) 330,396 shares. If rights granted under the ESPP expire, lapse or otherwise terminate without being exercised, the shares of common stock not
purchased under such rights again become available for issuance under the ESPP. The closing price of the Company’s common stock on March 20, 2017 was
$[XX].

**Eligibility.** Only employees of the Company (or any parent or subsidiary of the Company designated by the Board) may participate in the ESPP. The
Board has the authority to limit participation to those individuals who have been customarily employed more than 20 hours per week and more than five
months per calendar year by the Company (or by any parent or subsidiary of the Company designated by the Board) on the first day of an offering. In
addition, the Board may require that each employee has been continuously employed by the Company or the designated parent or subsidiary corporation for
such period preceding the grant as the Board may require, but in no event will the required period of continuous employment be greater than two years.
Finally, the Board also has the power to exclude officers of the Company who are “highly compensated” as defined in the Code. No employee is eligible to
participate in the ESPP if, immediately after the grant of purchase rights, the employee would own, directly or indirectly, stock possessing 5% or more of the
total combined voting power or value of all classes of stock of the Company or of any parent or subsidiary of the Company.

**Offerings.** The ESPP is implemented by offerings of rights to all eligible employees from time to time. Under applicable law and the terms of the
ESPP, the maximum length for an offering under the ESPP is 27 months. Each offering period consists of one or more purchase dates as determined by the
Board prior to the commencement of that offering period. The provisions of separate offerings need not be identical. Pursuant to the terms of the offering
document for the ESPP, a new offering automatically began on November 16, 2016, and is approximately 24 months in duration (the “Current Offering”). The
Current Offering consists of four purchase periods ending on or about May 15 and November 15 each year, with the first purchase period ending on May 15,
2017, the second purchase period ending on November 15, 2017, the third purchase period ending on May 15, 2018, and the fourth purchase period ending
on November 15, 2018. A new offering will automatically begin on each May 16 and November 16 over the term of the ESPP and will be approximately 24
months in duration. Each new offering shall consist of four purchase periods approximately six months in length ending on or about May 15 and November
15 each year. The offering document for the ESPP provides that if the fair market value of a share of our common stock on the first day of a later offering is
less than or equal to the fair market value on the start date of an ongoing offering, then such ongoing offering will terminate immediately following the
purchase of shares on the purchase date and the participants in the terminated offering will automatically be enrolled in the new offering.

**Enrollment in the ESPP.** Eligible employees enroll in the ESPP by delivering to the Company an agreement authorizing payroll deductions in an
amount up to the maximum amount approved by the Board. Pursuant to the terms of the offering document for the ESPP, such payroll deductions will be
limited to up to 15% of an employee’s eligible cash compensation during the offering. A participant may increase or decrease his or her participation level at
any time with such change to be effective commencing as of the next offering. A participant may also increase or decrease his or her participation level to be
effective in a subsequent purchase period of an ongoing offering in accordance with procedures established by the Company. A participant may increase his
or her participation level once during a purchase period. A participant may decrease (including a decrease to 0%) his or her participation level no more than
twice during a purchase period (and the second decrease in participation level must be to 0%). The Company may determine in its sole discretion at any time,
including at any time following the commencement of an offering or purchase period, that it will no longer accept participant requests to increase
participation levels during such offering or purchase period, as applicable. All payroll deductions made on behalf of a participant are credited to his or her
account under the ESPP and deposited with the general funds of the Company. The ESPP allows for concurrent offerings, but an eligible employee may enroll
in only one offering at a time.

**Purchase Price.** The purchase price per share at which shares of common stock are sold in an offering under the ESPP may not be less than the lower
of (i) 85% of the fair market value of a share of common stock on first day of the offering or (ii) 85% of the fair market value of a share of common stock on
the last day of the purchase period.

**Purchase of Stock.** In connection with offerings made under the ESPP, the Board may specify from time to time a maximum number of shares of
common stock an employee may be granted the right to purchase and the maximum aggregate

20.
number of shares of common stock that may be purchased pursuant to such offering by all participants. In addition, no employee may purchase more than $25,000 worth of common stock (determined at the fair market value of the shares at the time such rights are granted) under all employee stock purchase plans (intended to qualify as such under Section 423(b) of the Code) of the Company and its parent and subsidiary corporations for each calendar year in which the purchase rights are outstanding at any time. Pursuant to the terms of the offering document for the ESPP, the maximum number of shares that may be purchased on any single purchase date by any single participant during any offering is 2,000 shares. If the aggregate number of shares to be purchased upon exercise of all outstanding purchase rights would exceed the foregoing limits, the Board will make a uniform and equitable allocation of available shares. Unless the employee’s participation is discontinued, his or her right to purchase shares is exercised automatically at the end of the purchase period at the applicable price.

Participation in and Withdrawal from the ESPP. Enrolled employees will automatically participate in subsequent offerings, provided the participant has not withdrawn from the ESPP, continues to meet the eligibility requirements, and has not terminated employment with the Company. A participant may withdraw from a given offering without affecting his or her eligibility to participate in future offerings under the ESPP. Upon any withdrawal from an offering by the participant, the company will distribute to the participant his or her accumulated payroll deductions without interest, less any accumulated deductions previously applied to the purchase of shares of common stock on the participant’s behalf during such offering, and such employee’s rights in the offering will be automatically terminated.

Termination of Employment. Unless otherwise specified by the Board, a participant’s rights under any offering under the ESPP terminate immediately upon cessation of an employee’s employment for any reason (subject to any post-employment participation period required by law), and the Company will distribute to such employee all of his or her accumulated payroll deductions, without interest.

Restrictions on Transfer. Rights granted under the ESPP are not transferable except by will, the laws of descent and distribution, or by a beneficiary designation. During the lifetime of the participant, such rights may only be exercised by the participant.

Adjustment Provisions. Upon certain transactions by the Company, such as a merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other similar transaction without receipt of consideration by the Company, the ESPP share reserve, the maximum number of shares by which the share reserve is to increase automatically each year, the outstanding purchase rights thereunder, and any purchase limits will be appropriately adjusted as to the type, class and maximum number of shares subject thereto as well as to the applicable purchase price of outstanding purchase rights.

Effect of Certain Corporate Transactions. In the event of (i) the sale or other disposition of all or substantially all of the consolidated assets of the Company and its subsidiaries, (ii) the sale or other disposition of at least 90% of the outstanding securities of the Company, or (iii) certain specified types of merger, consolidation or similar transactions (collectively, a “corporate transaction”), any surviving or acquiring corporation may continue or assume rights outstanding under the ESPP or may substitute similar rights. If any surviving or acquiring corporation does not assume such rights or substitute similar rights, then the participants’ accumulated payroll deductions will be used to purchase shares of common stock within ten business days prior to the corporate transaction under any ongoing offerings and the participants’ rights under the ongoing offerings will terminate immediately after such purchase.

Duration, Amendment, Suspension, and Termination of the ESPP. The Board may amend, suspend or terminate the ESPP at any time. However, except in regard to capitalization adjustments, any amendment to the ESPP must be approved by the stockholders to the extent stockholder approval is necessary to satisfy the requirements of Section 423 of the Code or to comply with other applicable laws or regulations.

Rights granted before an amendment, suspension, or termination of the ESPP will not be impaired by any amendment, suspension, or termination of the ESPP without consent of the employee to whom such rights were granted, except as necessary to comply with, or receive favorable tax, listing or regulatory treatment under, any laws or governmental regulations, or as necessary to ensure that the ESPP and/or any purchase rights comply with the requirements of Section 423 of the Code.

Federal Income Tax Information

Rights granted under the ESPP are intended to qualify for favorable U.S. federal income tax treatment associated with rights granted under an “employee stock purchase plan” within the meaning of Section 423 of the Code.

21.
A participant will be taxed on amounts withheld from their paychecks for the purchase of shares of our common stock as if such amounts were actually received. Otherwise, no income will be taxable to a participant as a result of the granting or exercise of a purchase right, until a sale or other disposition of the acquired shares. The taxation upon such sale or other disposition will depend upon the holding period of the acquired shares.

If the shares are sold or otherwise disposed of more than two years after the beginning of the offering period and more than one year after the stock is transferred to the participant, then the lesser of (i) the excess of the fair market value of the stock at the time of such disposition over the purchase price or (ii) the excess of the fair market value of the stock as of the beginning of the offering period over the purchase price (determined as of the beginning of the offering period) will be treated as ordinary income. Any further gain or any loss will be taxed as a long-term capital gain or loss. At present, such capital gains generally are subject to lower tax rates than ordinary income.

If the shares are sold or otherwise disposed of before the expiration of either or both of the holding periods described above, then the excess of the fair market value of the stock on the purchase date over the purchase price will be treated as ordinary income at the time of such disposition. The balance of any gain will be treated as capital gain. Even if the shares are sold or otherwise later disposed of for less than its fair market value on the purchase date, the same amount of ordinary income is attributed to the participant, and a capital loss is recognized equal to the difference between the sales price and the fair market value of the shares on such purchase date. Any capital gain or loss will be short-term or long-term, depending on how long the shares have been held.

The Company is entitled to a deduction to the extent amounts are taxed as ordinary income to a participant for shares sold or otherwise disposed of before the expiration of the holding periods described above (subject to the requirement of reasonableness and the satisfaction of tax reporting obligations).

**New Plan Benefits**

Because participation in the ESPP is entirely within the discretion of the eligible employees, a new plan benefits table, as described in the federal proxy rules, is not provided. Because the Company cannot predict the participation levels by employees, the rate of employee contributions or the eventual purchase price under the ESPP, it is not possible to determine the value of benefits that may be obtained by executive officers and other employees under the ESPP. Non-employee directors are not eligible to participate in the ESPP.
The Audit Committee has selected Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017. Deloitte & Touche LLP has audited the Company’s financial statements since 2007. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company’s Bylaws nor other governing documents or law require stockholder ratification of the selection of Deloitte & Touche LLP as the Company’s independent registered public accounting firm. Our Board is submitting the selection of Deloitte & Touche LLP to our stockholders for ratification as a matter of good corporate governance. However, the Audit Committee is not bound by a vote either for or against this proposal. The Audit Committee will consider a vote against Deloitte & Touche LLP by the stockholders in selecting our independent registered public accounting firm in the future. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP. Abstentions will be counted toward the tabulation of votes on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Applicable percentage ownership is based on 73,176,313 shares of our common stock outstanding at January 26, 2017. In accordance with the rules and regulations of the SEC, in computing the number of shares of common stock beneficially owned by a person and the percentage ownership of such person, we deemed to be outstanding all shares of common stock subject to shares held by the person that are currently exercisable or exercisable (or issuable upon vesting of restricted stock units (“RSUs”)) within 60 days of January 26, 2017. However, we did not deem such shares outstanding for the purpose of computing the percentage ownership of any other person.

EXECUTIVE COMPENSATION

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act enacted in April 2012, or the JOBS Act. As an “emerging growth company,” we rely on the reduced disclosure obligations regarding executive compensation in this proxy statement, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

SUMMARY COMPENSATION TABLE

The following table provides information for the years presented regarding the compensation of our principal executive officer and each of our two other most highly compensated persons serving as executive officers during 2016. We refer to these persons as our “Named Executive Officers.”

(1) The dollar amounts in this column represent the grant date fair value of stock options and stock awards granted for the years indicated calculated in accordance with applicable accounting standards relating to stock-based compensation excluding the effect of estimated forfeitures. For awards of RSUs, that amount is calculated by multiplying the closing price of our common stock on the date of grant by the number of units awarded. For option awards, that amount is calculated by multiplying the Black-Scholes value determined as of the date of grant by the number of options awarded. For a discussion of the methodology used, see Note 13 Stock-Based Compensation to our consolidated financial statements.
statements included in our Annual Report on Form 10-K for the year ended December 31, 2016, as filed with the SEC on March 16, 2017. These amounts do not necessarily correspond to the actual value that may be realized from the option awards by the Named Executive Officers.

(2) For Messrs. Nahi, Garcia and Sennesael, no cash bonuses were awarded pursuant to our 2015 and 2016 Bonus Program.

(3) On August 8, 2016, Mr. Garcia was appointed as the Company’s Vice President and Chief Financial Officer to replace Mr. Sennesael and received a cash bonus of $50,000 upon the appointment.

(4) On August 8, 2016, Mr. Sennesael resigned from his position as the Company’s Vice President and Chief Financial Officer and remained as a non-executive employee to assist with transition matters until August 15, 2016.

(5) Includes $29,421.95 cash payment in lieu of vacation paid upon termination of Mr. Sennesael’s employment.

In 2016, our Named Executive Officers were granted stock options and RSUs under our 2011 Equity Incentive Plan. Mr. Nahi was granted options to purchase 425,000 shares, Mr. Sennesael was granted options to purchase 110,000 shares, Mr. Garcia was granted options to purchase 20,000 shares, and upon appointment to Chief Financial Officer, Mr. Garcia was granted options to purchase 200,000 shares and 50,000 RSUs. The stock options granted to each of the Names Executive Officers vest in monthly installments over a period of four years after the date of grant. The RSUs vest over a four-year period, with 12.5% of the RSUs vesting on February 8, 2017; and an additional 12.5% of the shares will vest each six month period thereafter. These awards are included in the amounts set forth in the Summary Compensation Table.

2016 Bonus Program

All Company non-sales-commissioned employees, including all of the Named Executive Officers, were eligible for performance bonuses under the 2016 Bonus Program (the “2016 Bonus Program”). The bonus payout for each eligible employee was to be determined based on the employee’s eligible salary multiplied by his or her bonus percentage multiplied by a corporate achievement factor ranging from 0% to 200%, and with the individual performance factor ranging from 0% to 100% (with exceptions above 100%) and determined by the evaluation of each individual employee’s performance.

Corporate goals for 2016 were further weighted 50% on non-GAAP operating income and 50% on non-GAAP free cash flow. The corporate achievement factors for non-GAAP operating income and non-GAAP free cash flow were independently determined based upon pre-established threshold, target, stretch and maximum goals. The 2016 Bonus Program was designed to reward, through the payment of annual bonuses, the Company’s employees (including executive officers) for the Company’s performance in meeting certain key corporate objectives for 2016 and, if applicable, each individual’s performance and contribution in meeting the Company’s corporate objectives for the year. The actual bonus awarded in any year, if any, may be more or less than each employee’s annual bonus target, and are subject to approval by the Compensation Committee of the Board of Directors. For the Company’s executive officers, the target bonuses, and whether or not a bonus is paid in any year, is within the discretion of the Compensation Committee.

The Compensation Committee established Mr. Nahi’s 2016 target bonus opportunity under the 2016 Bonus Program at 100% of his 2016 base salary, and both Messrs. Garcia and Sennesael’s 2016 target bonus opportunity under the 2016 Bonus Program at 75% of their 2016 base salary. The Compensation Committee did not award any bonuses to its Named Executive Officers under the 2016 Bonus Program because the Company’s performance failed to meet its key corporate objectives under the 2016 Bonus Program.

401(k) Plan

We maintain a defined contribution employee retirement plan, or 401(k) plan, for our employees. Our Named Executive Officers are eligible to participate in the 401(k) plan on the same basis as our other employees. The 401(k) plan provides that each participant may defer eligible compensation subject to the statutory limit, which was $18,000 for calendar year 2016. For the 2016 401(k) plan year, participants that are 50 years or older could also make “catch-up” contributions up to an additional $6,000 above the statutory limit.

Participants are immediately and fully vested in their contributions. For the 2016 401(k) plan year, a discretionary matching formula was used for all participants in the 401(k) plan, including our Named Executive Officers, pursuant to which we matched $0.25 for each dollar contributed by a participant up to the lesser of (i) 6% of the participant’s annual compensation, as defined in the 401(k) plan, or (ii) $1,500.

Such Company matching contributions are subject to a six year vesting schedule, with vesting beginning on the applicable participant’s start date. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k)
plan’s related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, a participant’s contributions to the 401(k) plan and earnings on those contributions are not taxable to the participant until distributed from the 401(k) plan.

**Pension Benefits**

We do not maintain any pension or defined benefit retirement plans.

**Nonqualified Deferred Compensation**

We do not maintain any nonqualified deferred compensation plans.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

Executive Severance Agreements

Paul B. Nahi

On January 1, 2007, we entered into an offer letter with Mr. Nahi to serve as our President and Chief Executive Officer, on an at-will basis. The offer letter provided for an initial annual base salary of $60,000 per year, which has subsequently increased to the current amount of $525,000 per year. The letter indicates Mr. Nahi’s general eligibility for employee benefits, additional stock grants and long-term incentives. In June 2011, we entered into an executive severance agreement with Mr. Nahi (the “2011 Nahi Severance Agreement”) that provided for the payment of certain severance benefits to Mr. Nahi in the event of the termination of his employment. This agreement superseded the severance provisions contained in Mr. Nahi’s original offer letter.

In March 2013, the arrangements set forth in the 2011 Nahi Severance Agreement were superseded and replaced by the 2013 Severance Plan described below.
Humberto Garcia

On August 8, 2016, we appointed Mr. Garcia to serve as our Chief Financial Officer, on an at-will basis. In connection with his appointment, Mr. Garcia’s annual base salary was increased to $300,000 per year. In addition, Mr. Garcia received a bonus of $50,000, became eligible for an annual bonus, and received a stock option to purchase 200,000 shares of our common stock under the 2011 Incentive Plan, and a grant of 50,000 RSUs. Mr. Garcia also became a participant in the “Severance Plan” described below that provides for the payment of severance benefits to Mr. Garcia in the event of the termination of his employment following a change in control.

Kris Sennesael

On September 17, 2012, we entered into an offer letter with Mr. Sennesael to serve as our Chief Financial Officer, on an at-will basis. The offer letter provided for an initial annual base salary of $300,000 per year, which has subsequently increased to the current amount of $340,000 per year. In addition, the letter provides for a signing bonus of $150,000, eligibility for an annual bonus, an initial stock option grant to purchase up to 150,000 shares of our common stock under the 2011 Incentive Plan and an grant of up to 150,000 RSUs. In September 2012, we also entered into an executive severance agreement with Mr. Sennesael (the “2012 Sennesael Severance Agreement”) that provided for the payment of severance benefits to Mr. Sennesael in the event of the termination of his employment following a change in control.

In March 2013, the arrangements set forth in the 2012 Sennesael Severance Agreement were superseded and replaced by the 2013 Severance Plan described below.

On August 8, 2016, Mr. Sennesael resigned from his position as the Company’s Vice President and Chief Financial Officer. Mr. Sennesael remained as a non-executive employee to assist with transition matters until August 15, 2016.

Severance and Change in Control Benefit Plan

On March 2013, the Compensation Committee approved the Severance and Change in Control Benefit Plan (the “Severance Plan”) for executive officers and other key employees, including the Named Executive Officers. Upon acceptance by a participant, the Severance Plan superseded and replaced existing severance agreements, including those described above, that would otherwise apply to participants in the Severance Plan upon qualifying terminations of employment. The Compensation Committee has the authority to designate the participants in the Severance Plan and the level of benefits each such participant will be eligible to receive upon a qualifying termination of employment.

Under the Severance Plan, upon a termination of a participant’s employment by the Company without “cause” or the resignation by a participant for “good reason” (each, an “Involuntary Termination”), or upon an Involuntary Termination in connection with, or within 12 months following, a “change in control” (a “Change in Control Termination”), participants in the Severance Plan generally will be entitled to receive the following severance benefits:

- a lump sum cash payment equal to the sum of (a) either 6, 9 or 12 months of the participant’s monthly base salary, and (b) a pro-rata portion of the participant’s target annual bonus calculated at 100% of target levels for the year of termination (the “Pro-rata Target Bonus”);
- Company-paid COBRA premiums for continued health insurance for up to 6, 9 or 12 months;
- in certain cases, accelerated vesting of all or a portion of the participant’s then-outstanding equity awards; and
- an extended period of time to exercise any outstanding vested stock options (and other vested equity awards which carry a right to exercise) held by such participants as of the date of termination, which extended exercisability period will end upon the earlier of (a) one year following the date of termination and (b) the date on which the original term of such equity awards would otherwise expire.

Receipt of the foregoing benefits is subject to the participant’s execution and non-revocation of a release of claims against Enphase and continued compliance with certain restrictive covenants.

The amount of cash severance, the duration of the COBRA payment period, and the percentage of accelerated vesting of equity awards, if any, varies based on the participant’s designation as a Tier I Participant, Tier II Participant or Tier III Participant and whether the termination is an Involuntary Termination or a Change in Control Termination, as set forth in the table below.
Participants are also entitled to receive the Pro-rata Target Bonus.

Participants also will have an extended period of time to exercise outstanding equity awards, as described in the fourth bullet above.

Mr. Sennesael resigned from the Company in 2016 and therefore was not entitled to receive any severance.

In addition, unless otherwise provided in an agreement between a participant and the Company, if any payments or benefits that a participant would receive in connection with a change in control of the Company would constitute a “parachute payment” within the meaning of Section 280G of the Internal Revenue Code, and such payments would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then such payments will either be (1) provided to the participant in full or (2) reduced to such lesser amount that would result in no portion of such payments being subject to the excise tax, whichever amount after taking into account all applicable taxes, including the excise tax, would result in the participant’s receipt, on an after-tax basis, of the greatest amount of such payments.

For purposes of the Severance Plan, the following definitions apply:

“Cause,” as determined by the Board acting in good faith and based on information then known to it, means the participant’s: (i) refusal or failure to perform the participant’s material, lawful and appropriate duties; (ii) material violation of Company policy or any written agreement between the Company and the participant; (iii) repeated unexplained or unjustified absence from the Company; (iv) intentional or negligent misconduct; (v) conviction of, or the entering of a plea of nolo contendere with respect to, any felony or a crime involving moral turpitude; (vi) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom the participant owes an obligation of non-disclosure as a result of the participant’s relationship with the Company; (vii) commitment of any act of fraud, embezzlement, misappropriation, dishonesty or breach of fiduciary duty against the Company that causes, or is likely to cause, material harm to the Company or its subsidiaries or is intended to result in substantial personal enrichment; or (viii) failure to cooperate with the Company in any investigation or formal proceeding, including any government investigation.

“Change in Control” means the occurrence of any of the following events:

- any sale or exchange of the capital stock by the shareholders of the Company in one transaction or series of related transactions where more than 50% of the outstanding voting power of the Company is acquired by a person or entity or group of related persons or entities; or
- any reorganization, consolidation or merger of the Company where the outstanding voting securities of the Company immediately before the transaction represent or are converted into less than fifty percent (50%) of the outstanding voting power of the surviving entity (or its parent corporation) immediately after the transaction; or
- the consummation of any transaction or series of related transactions that results in the sale of all or substantially all of the assets of the Company; or
- any “person” or “group” (as defined in the Exchange Act) becoming the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities representing more than fifty percent (50%) of the voting power of the Company then outstanding.

Notwithstanding the foregoing, the term Change in Control will not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.
“Good Reason” means, without the participant’s written consent: (i) a material reduction or material adverse change in job duties, responsibilities or authority inconsistent with the participant’s position with the Company; provided, however, that any such reduction or change after a Change in Control (or similar corporate transaction that does not constitute a Change in Control) shall not constitute Good Reason by virtue of the fact that the participant is performing similar duties and responsibilities in a larger organization; (ii) a material reduction of the participant’s then current base salary, representing a reduction of more than ten percent (10%) of the participant’s then current base salary; provided, that an across-the-board reduction in the salary level of all executive officers of the Company by the same percentage amount as part of a general salary level reduction shall not constitute such a material salary reduction; (iii) a material reduction of the participant’s target bonus opportunity; provided, that an across-the-board reduction in the target bonus opportunities of all executive officers of the Company shall not constitute such a material reduction in target bonus opportunity; (iv) the relocation of the principal place for performance of the participant’s duties to the Company to a location more than fifty (50) miles from the Company’s then current location, which relocation is adverse to the participant, except for required travel on the Company’s business; (v) any material breach by the Company of the Severance Plan or any other written agreement between the Company and the participant; or (vi) the failure by any successor to the Company to assume the Severance Plan and any obligations under the Severance Plan; provided, that the participant gives written notice to the Company of the event forming the basis of the termination for Good Reason within sixty (60) days after the date on which the Company gives written notice to the participant of the Company’s affirmative decision to take an action set forth in clause (i), (ii), (iii), (iv) or (v) above, the Company fails to cure such basis for the Good Reason resignation within thirty (30) days after receipt of the participant’s written notice and the participant terminates his or her employment within thirty (30) days following the expiration of the cure period.

DIRECTOR COMPENSATION

Non-Employee Director Compensation

Cash Compensation Arrangements

In June 2011, our Board adopted a non-employee director compensation policy, which became effective for all of our non-employee directors upon our IPO. In March 2013, the Compensation Committee approved certain changes to director compensation, which changes became effective on January 1, 2013. Pursuant to the non-employee director compensation policy in effect since January 2013, each member of our Board who is not our employee and not affiliated with a venture capital fund who is an investor in the Company is eligible for the following cash compensation for Board services, as applicable:

(2) Assumes five committee meetings per year, after which a $1,000 per meeting fee will apply.

All Board and committee retainers accrue and are payable on a quarterly basis at the end of each calendar quarter of service. We also reimburse our non-employee directors for travel, lodging and other reasonable expenses incurred in connection with their attendance at Board or committee meetings.

Equity Compensation Arrangements

Our non-employee director compensation policy provides that, upon election or appointment to our Board, each non-employee director will receive an initial stock option grant under our 2011 Plan with a target value of $120,000. The target value of the option grant is determined based on a trailing 30-day average closing stock price of our common stock as of the grant date using the Black-Scholes valuation model, with 25% of the shares vesting in four equal annual installments from the grant date, subject to the directors continuous service. In addition, on the date of each annual stockholders’ meeting, each non-employee director will automatically receive an option grant with a target value of $75,000 (determined in the same manner as described above) vesting over 12 months and the lead independent director will automatically receive an option grant with a
target value of $20,000 vesting over 12 months. Both the initial and annual grants have an exercise price per share equal to the fair market value on the date of grant.

**Director Compensation Table**

The following table sets forth certain summary information for the year ended December 31, 2016 with respect to the compensation of our non-employee directors. Mr. Nahi, who is an employee and an executive officer, does not receive any additional compensation for serving on our Board or its committees.

(1) The dollar amounts in this column represent the grant date fair value of stock options granted in fiscal year 2016 calculated in accordance with applicable accounting standards relating to stock-based compensation excluding the effect of estimated forfeitures. For option awards, that amount is calculated by multiplying the Black-Scholes value determined as of the date of grant by the number of options awarded. For a discussion of the valuation methodology used, see Note 11—Stock-Based Compensation to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2016, as filed with the SEC on March 16, 2017. These amounts do not necessarily correspond to the actual value realized from the option award. Furthermore, these amounts do not necessarily correspond to the target values of the option grants because the target values are determined based on a trailing 30-day average closing stock price of our common stock as of the grant date using the Black-Scholes valuation model.

(2) Mr. Schwartz resigned from the Board on February 5, 2016. Enphase previously received letters from Third Point LLC and Mr. Schwartz providing that, so long as Mr. Schwartz remains an affiliate of Third Point LLC that Third Point LLC and Mr. Schwartz decline any equity compensation which Mr. Schwartz would otherwise be eligible to receive in connection with his service as a director of Enphase, unless and until instructed otherwise by Third Point LLC or Mr. Schwartz.

As of December 31, 2016, Messrs. Dempsey, and Kortlang each held outstanding options to purchase 130,920 shares of our common stock, Mr. Gomo held outstanding options to purchase 192,288 shares of our common stock, Mr. Mora held outstanding options to purchase 117,910 shares of our common stock and Mr. Weber held outstanding options to purchase 111,557 shares of our common stock.

**Compensation Committee Interlocks and Insider Participation**

Since January 9, 2017 the Compensation Committee has been composed of three members: Messrs. Mora, Rodgers, and Weber. From February 5, 2016 to January 9, 2017, the Compensation Committee was composed of two directors: Messrs. Mora and Weber. From February 13, 2014 to February 5, 2016, the Compensation Committee was composed of three directors: Messrs. Mora, Schwartz and Weber. None of the members of our Compensation Committee have, at any time, been one of our officers or employees. None of our executive officers serve, or in the past year have served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers who serve on our board of directors or Compensation Committee.
TRANSACTIONS WITH RELATED PERSONS

POLICY AND PROCEDURES FOR REVIEW OF RELATED PARTY TRANSACTIONS

In June 2011, our Board adopted an Amended and Restated Audit Committee Charter (the "Audit Committee Charter"), which became effective upon the execution of the underwriting agreement for our IPO. The Audit Committee Charter provides that the Audit Committee will review and approve all related party transactions. This review will cover any material transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, and a related party had or will have a direct or indirect material interest, including, purchases of goods or services by or from the related party or entities in which the related party has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related party.

CERTAIN TRANSACTIONS WITH OR INVOLVING RELATED PERSONS

The following is a summary of transactions since January 1, 2016 to which we have been a party in which the amount involved exceeded $120,000 and in which any of our executive officers, directors or holders of more than 5% of our capital stock, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, other than compensation arrangements with directors and executive officers, which are described where required under the “Executive Compensation” section of this proxy statement.

Investors’ Rights Agreement

In connection with our preferred stock financings completed prior to 2012, we entered into an investors’ rights agreement with certain purchasers of our preferred stock, including the following stockholders, directors and executive officers:

- Funds affiliated with Third Point LLC
- RockPort Capital Partners II, L.P.
- Madrone Partners, L.P.
- KPCB Holdings, Inc., as nominee
- Funds affiliated with Bay Partners
- Paul B. Nahi
- Raghuveer R. Belur
- Martin Fornage
- Robert Schwartz

Pursuant to the investors’ rights agreement, these holders have the right to demand that we file a registration statement or request that the common stock issued upon conversion of our previously outstanding preferred stock and the common stock issuable upon the exercise of outstanding warrants to purchase common stock (which, in connection with our IPO, were converted from previously outstanding warrants to purchase our preferred stock), collectively, the registrable securities, be covered by a registration statement that we are otherwise filing. In the event that we propose to register any of our securities under the Securities Act of 1933, as amended (the “Securities Act”), either for our own account or for the account of other security holders, these holders are entitled to notice of our registration and are entitled to certain piggyback registration rights allowing the holders to include their registrable securities in such registration, subject to certain marketing and other limitations. Pursuant to the investors’ rights agreement, the holders of registrable securities have the right to require us to file a registration statement under the Securities Act in order to register the resale of their shares of registrable securities, provided that the registration meets certain thresholds. We may, in certain circumstances, defer such registrations. In an underwritten offering, the managing underwriter has the right, subject to specified conditions, to limit the number of registrable securities such holders may include.

Transactions with Affiliate Controlled Companies

In 2015 we entered into a Strategic Installer Agreement with Sunrun Installation Services (“Sunrun”). In 2011 we entered into an Agreement for Sale and Purchase with AEE Solar, Inc. ("AEE"), which was purchased by Sunrun in 2014 and is its wholly-owned subsidiary. Jameson McJunkin, a former member of our Board, has direct or indirect ownership of more than 1% of Sunrun common stock and is a member of its board of directors. We recognized net revenue of approximately $20.5 million relative to Sunrun and AEE in 2016.

September 2016 Offering

In September 2016 we entered into an underwriting agreement (the “Underwriting Agreement”) with Oppenheimer & Co. Inc. (the “Underwriters”) in connection with a registered underwritten public offering of our common stock. On September 23, 2016, we sold 13,000,000 shares of our common stock, at a price to the public of $1.20 per share. Benjamin Kortlang, a
member of our Board, participated in this offering and purchased 600,000 shares of Common Stock, and Daniel Loeb, Chief Executive Officer of Third Point LLC, purchased 423,684 shares of Common Stock at a price of $1.20 per share.

Pursuant to our Code of Business Conduct and Ethics and the charter of the Audit Committee, the Audit Committee reviewed and approved these transactions.

**HOUSEHOLDING OF PROXY MATERIALS**

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Enphase stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Enphase. Direct your written request to: Assistant to Assistant Secretary, Enphase Energy, Inc., 1420 N. McDowell Blvd., Petaluma, CA 94954. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.
OTHER MATTERS

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors

(iv) To settle all controversies regarding the Plan and Purchase Rights granted under it.

(v) To suspend or terminate the Plan at any time as provided in Section 12.

(vi) To amend the Plan at any time as provided in Section 12.

(vii) Generally, to exercise such powers and to perform such acts as it deems necessary or expedient to promote the best interests of the Company and its Related Corporations and to carry out the intent that the Plan be treated as an Employee Stock Purchase Plan.

(viii) To adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Employees who are foreign nationals or employed outside the United States.

(c) The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references...
in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revest in the Board some or all of the powers previously delegated. Whether or not the Board has delegated administration of the Plan to a Committee, the Board shall have the final power to determine all questions of policy and expediency that may arise in the administration of the Plan.

(d) All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

3. **SHARES OF COMMON STOCK SUBJECT TO THE PLAN.**

(a) Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, the shares of Common Stock that may be sold pursuant to Purchase Rights shall not exceed in the aggregate six hundred sixty nine thousand nine hundred and three (669,903) shares of Common Stock (on a pre-split basis). In addition, the number of shares of Common Stock available for issuance under the Plan shall automatically increase on January 1st of each year, commencing in 2013 and ending on (and including) January 1, 2021, in an amount equal to the lesser of (i) one percent (1%) of the total number of shares of Common Stock outstanding on December 31st of the preceding calendar year, or (ii) three hundred thirty thousand nine hundred and thirty six (330,936) shares of Common Stock. Notwithstanding the foregoing, the Board may act prior to the first day of any calendar year, to provide that there shall be no increase in the share reserve for such calendar year or that the increase in the share reserve for such calendar year shall be a lesser number of shares of Common Stock than would otherwise occur pursuant to the preceding sentence.

(b) If any Purchase Right granted under the Plan shall for any reason terminate without having been exercised, the shares of Common Stock not purchased under such Purchase Right shall again become available for issuance under the Plan.

(c) The stock purchasable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market.

4. **GRANT OF PURCHASE RIGHTS; OFFERING.**

(a) The Board may from time to time grant or provide for the grant of Purchase Rights to purchase shares of Common Stock under the Plan to Eligible Employees in an Offering (consisting of one or more Purchase Periods) on an Offering Date or Offering Dates selected by the Board. Each Offering shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate, which shall comply with the requirement of Section 423(b)(5) of the Code that all Employees granted Purchase Rights shall have the same rights and privileges. The terms and conditions of an Offering shall be incorporated by reference into the Plan and treated as part of the Plan. The provisions of separate Offerings need not be identical, but each Offering shall include (through incorporation of the provisions of this Plan by reference in the document comprising the Offering or otherwise) the period during which the Offering shall be effective, which period shall not exceed twenty-seven (27) months beginning with the Offering Date, and the substance of the provisions contained in Sections 5 through 8, inclusive.

(b) If a Participant has more than one Purchase Right outstanding under the Plan, unless he or she otherwise indicates in agreements or notices delivered hereunder: (i) each agreement or notice delivered by that Participant shall be deemed to apply to all of his or her Purchase Rights under the Plan, and (ii) a Purchase Right with a lower exercise price (or an earlier-granted Purchase Right, if different Purchase Rights have identical exercise prices) shall be exercised to the fullest possible extent before a Purchase Right with a higher exercise price (or a later-granted Purchase Right if different Purchase Rights have identical exercise prices) shall be exercised.

(c) The Board shall have the discretion to structure an Offering so that if the Fair Market Value of the shares of Common Stock on the first day of a new Purchase Period within that Offering is less than or equal to the Fair Market Value of the shares of Common Stock on the Offering Date, then (i) that Offering shall terminate

A-2
immediately, and (ii) the Participants in such terminated Offering shall be automatically enrolled in a new Offering beginning on the first day of such new Purchase Period.

5. **Eligibility.**

(a) Purchase Rights may be granted only to Employees of the Company or, as the Board may designate as provided in Section 2(b), to Employees of a Related Corporation. Except as provided in Section 5(b), an Employee shall not be eligible to be granted Purchase Rights under the Plan unless, on the Offering Date, such Employee has been in the employ of the Company or the Related Corporation, as the case may be, for such continuous period preceding such Offering Date as the Board may require, but in no event shall the required period of continuous employment be greater than two (2) years. In addition, the Board may provide that no Employee shall be eligible to be granted Purchase Rights under the Plan unless, on the Offering Date, such Employee’s customary employment with the Company or the Related Corporation is more than twenty (20) hours per week and more than five (5) months per calendar year or such other criteria as the Board may determine consistent with Section 423 of the Code.

(b) The Board may provide that each person who, during the course of an Offering, first becomes an Eligible Employee shall, on a date or dates specified in the Offering which coincides with the day on which such person becomes an Eligible Employee or which occurs thereafter, receive a Purchase Right under that Offering, which Purchase Right shall thereafter be deemed to be a part of that Offering. Such Purchase Right shall have the same characteristics as any Purchase Rights originally granted under that Offering, as described herein, except that:

(i) the date on which such Purchase Right is granted shall be the “Offering Date” of such Purchase Right for all purposes, including determination of the exercise price of such Purchase Right;

(ii) the period of the Offering with respect to such Purchase Right shall begin on its Offering Date and end coincident with the end of such Offering; and

(iii) the Board may provide that if such person first becomes an Eligible Employee within a specified period of time before the end of the Offering, he or she shall not receive any Purchase Right under that Offering.

(c) No Employee shall be eligible for the grant of any Purchase Rights under the Plan if, immediately after any such Purchase Rights are granted, such Employee owns stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Related Corporation. For purposes of this Section 5(c), the rules of Section 424(d) of the Code shall apply in determining the stock ownership of any Employee, and stock which such Employee may purchase under all outstanding Purchase Rights and options shall be treated as stock owned by such Employee.

(d) As specified by Section 423(b)(8) of the Code, an Eligible Employee may be granted Purchase Rights under the Plan only if such Purchase Rights, together with any other rights granted under all Employee Stock Purchase Plans of the Company and any Related Corporations, do not permit such Eligible Employee’s rights to purchase stock of the Company or any Related Corporation to accrue at a rate which exceeds twenty five thousand dollars ($25,000) of Fair Market Value of such stock (determined at the time such rights are granted, and which, with respect to the Plan, shall be determined as of their respective Offering Dates) for each calendar year in which such rights are outstanding at any time.

(e) Officers of the Company and any designated Related Corporation, if they are otherwise Eligible Employees, shall be eligible to participate in Offerings under the Plan. Notwithstanding the foregoing, the Board may provide in an Offering that Employees who are highly compensated Employees within the meaning of Section 423(b)(4)(D) of the Code shall not be eligible to participate.
6. **PURCHASE RIGHTS; PURCHASE PRICE.**

(a) On each Offering Date, each Eligible Employee, pursuant to an Offering made under the Plan, shall be granted a Purchase Right to purchase up to that number of shares of Common Stock purchasable either with a percentage or with a maximum dollar amount, as designated by the Board, but in either case not exceeding fifteen percent (15%) of such Employee’s earnings (as defined by the Board in each Offering) during the period that begins on the Offering Date (or such later date as the Board determines for a particular Offering) and ends on the date stated in the Offering, which date shall be no later than the end of the Offering.

(b) The Board shall establish one (1) or more Purchase Dates during an Offering as of which Purchase Rights granted pursuant to that Offering shall be exercised and purchases of shares of Common Stock shall be carried out in accordance with such Offering.

(c) In connection with each Offering made under the Plan, the Board may specify a maximum number of shares of Common Stock that may be purchased by any Participant on any Purchase Date during such Offering. In connection with each Offering made under the Plan, the Board may specify a maximum aggregate number of shares of Common Stock that may be purchased by all Participants pursuant to such Offering. If the aggregate purchase of shares of Common Stock issuable upon exercise of Purchase Rights granted under the Offering would exceed any such maximum aggregate number, then, in the absence of any Board action otherwise, a pro rata allocation of the shares of Common Stock available shall be made in as nearly a uniform manner as shall be practicable and equitable.

(d) The purchase price of shares of Common Stock acquired pursuant to Purchase Rights shall be not less than the lesser of:

(i) an amount equal to eighty-five percent (85%) of the Fair Market Value of the shares of Common Stock on the Offering Date; or

(ii) an amount equal to eighty-five percent (85%) of the Fair Market Value of the shares of Common Stock on the applicable Purchase Date.

7. **PARTICIPATION; WITHDRAWAL; TERMINATION.**

(a) A Participant may elect to authorize payroll deductions pursuant to an Offering under the Plan by completing and delivering to the Company, within the time specified in the Offering, an enrollment form (in such form as the Company may provide). Each such enrollment form shall authorize an amount of Contributions expressed as a percentage of the submitting Participant’s earnings (as defined in each Offering) during the Offering (not to exceed the maximum percentage specified by the Board). Each Participant’s Contributions shall be credited to a bookkeeping account for such Participant under the Plan and shall be deposited with the general funds of the Company except where applicable law requires that Contributions be deposited with a third party. To the extent provided in the Offering, a Participant may begin such Contributions after the beginning of the Offering. To the extent provided in the Offering, a Participant may thereafter reduce (including to zero) or increase his or her Contributions. To the extent specifically provided in the Offering, in addition to making Contributions by payroll deductions, a Participant may make Contributions through the payment by cash or check prior to each Purchase Date of the Offering.

(b) During an Offering, a Participant may cease making Contributions and withdraw from the Offering by delivering to the Company a notice of withdrawal in such form as the Company may provide. Such withdrawal may be elected at any time prior to the end of the Offering, except as provided otherwise in the Offering. Upon such withdrawal from the Offering by a Participant, the Company shall distribute to such Participant all of his or her accumulated Contributions (reduced to the extent, if any, such Contributions have been used to acquire shares of Common Stock for the Participant) under the Offering, and such Participant’s Purchase Right in that Offering shall thereupon terminate. A Participant’s withdrawal from an Offering shall have no effect upon such Participant’s eligibility.
to participate in any other Offerings under the Plan, but such Participant shall be required to deliver a new enrollment form in order to participate in subsequent Offerings.

(c) Purchase Rights granted pursuant to any Offering under the Plan shall terminate immediately upon a Participant ceasing to be an Employee for any reason or for no reason (subject to any post-employment participation period required by law) or other lack of eligibility. The Company shall distribute to such terminated or otherwise ineligible Employee all of his or her accumulated Contributions (reduced to the extent, if any, such Contributions have been used to acquire shares of Common Stock for the terminated or otherwise ineligible Employee) under the Offering.

(d) Purchase Rights shall not be transferable by a Participant except by will, the laws of descent and distribution, or by a beneficiary designation as provided in Section 10. During a Participant’s lifetime, Purchase Rights shall be exercisable only by such Participant.

(e) Unless otherwise specified in an Offering, the Company shall have no obligation to pay interest on Contributions.

8. **Exercise of Purchase Rights.**

(a) On each Purchase Date during an Offering, each Participant’s accumulated Contributions shall be applied to the purchase of shares of Common Stock up to the maximum number of shares of Common Stock permitted pursuant to the terms of the Plan and the applicable Offering, at the purchase price specified in the Offering. No fractional shares shall be issued upon the exercise of Purchase Rights unless specifically provided for in the Offering.

(b) If any amount of accumulated Contributions remains in a Participant’s account after the purchase of shares of Common Stock and such remaining amount is less than the amount required to purchase one share of Common Stock on the final Purchase Date of an Offering, then such remaining amount shall be held in such Participant’s account for the purchase of shares of Common Stock under the next Offering under the Plan, unless such Participant withdraws from such next Offering, as provided in Section 7(b), or is not eligible to participate in such Offering, as provided in Section 5, in which case such amount shall be distributed to such Participant after the final Purchase Date, without interest. If the amount of Contributions remaining in a Participant’s account after the purchase of shares of Common Stock is at least equal to the amount required to purchase one (1) whole share of Common Stock on the final Purchase Date of the Offering, then such remaining amount shall be distributed in full to such Participant at the end of the Offering without interest.

(c) No Purchase Rights may be exercised to any extent unless the shares of Common Stock to be issued upon such exercise under the Plan are covered by an effective registration statement pursuant to the Securities Act and the Plan is in material compliance with all applicable federal, state, foreign and other securities and other laws applicable to the Plan. If on a Purchase Date during any Offering hereunder the shares of Common Stock are not so registered or the Plan is not in such compliance, no Purchase Rights or any Offering shall be exercised on such Purchase Date, and the Purchase Date shall be delayed until the shares of Common Stock are subject to such an effective registration statement and the Plan is in such compliance, except that the Purchase Date shall not be delayed more than twelve (12) months and the Purchase Date shall in no event be more than twenty-seven (27) months from the Offering Date. If, on the Purchase Date under any Offering hereunder, as delayed to the maximum extent permissible, the shares of Common Stock are not registered and the Plan is not in such compliance, no Purchase Rights or any Offering shall be exercised and all Contributions accumulated during the Offering (reduced to the extent, if any, such Contributions have been used to acquire shares of Common Stock) shall be distributed to the Participants without interest.

9. **Covenants of the Company.**

The Company shall seek to obtain from each federal, state, foreign or other regulatory commission or agency having jurisdiction over the Plan such authority as may be required to issue and sell shares of Common Stock upon exercise of the Purchase Rights. If, after commercially reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful
issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Purchase Rights unless and until such authority is obtained.

10. **Designation of Beneficiary.**

(a) A Participant may file a written designation of a beneficiary who is to receive any shares of Common Stock and/or cash, if any, from the Participant’s account under the Plan in the event of such Participant’s death subsequent to the end of an Offering but prior to delivery to the Participant of such shares of Common Stock or cash. In addition, a Participant may file a written designation of a beneficiary who is to receive any cash from the Participant’s account under the Plan in the event of such Participant’s death during an Offering. Any such designation shall be on a form provided by or otherwise acceptable to the Company.

(b) The Participant may change such designation of beneficiary at any time by written notice to the Company. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant’s death, the Company shall deliver such shares of Common Stock and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its sole discretion, may deliver such shares of Common Stock and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

11. **Adjustments Upon Changes in Common Stock; Corporate Transactions.**

(a) In the event of a Capitalization Adjustment, the Board shall appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 3(a), (ii) the class(es) and maximum number of securities by which the share reserve is to increase automatically each year pursuant to Section 3(a), (iii) the class(es) and number of securities subject to, and the purchase price applicable to outstanding Offerings and Purchase Rights, and (iv) the class(es) and number of securities imposed by purchase limits under each ongoing Offering. The Board shall make such adjustments, and its determination shall be final, binding and conclusive.

(b) In the event of a Corporate Transaction, then: (i) any surviving corporation or acquiring corporation (or the surviving or acquiring corporation’s parent company) may assume or continue Purchase Rights outstanding under the Plan or may substitute similar rights (including a right to acquire the same consideration paid to the stockholders in the Corporate Transaction) for those outstanding under the Plan, or (ii) if any surviving or acquiring corporation (or its parent company) does not assume or continue such Purchase Rights or does not substitute similar rights for Purchase Rights outstanding under the Plan, then the Participants’ accumulated Contributions shall be used to purchase shares of Common Stock within ten (10) business days prior to the Corporate Transaction under any ongoing Offerings, and the Participants’ Purchase Rights under the ongoing Offerings shall terminate immediately after such purchase.

12. **Amendment, Termination or Suspension of the Plan.**

(i) The Board may amend the Plan at any time in any respect the Board deems necessary or advisable. However, except as provided in Section 11(a) relating to Capitalization Adjustments, stockholder approval shall be required for any amendment of the Plan for which stockholder approval is required by applicable law or listing requirements, including any amendment that either (i) materially increases the number of shares of Common Stock available for issuance under the Plan, (ii) materially expands the class of individuals eligible to become Participants and receive Purchase Rights under the Plan, (iii) materially increases the benefits accruing to Participants under the Plan or materially reduces the price at which shares of Common Stock may be purchased under the Plan, (iv) materially extends the term of the Plan, or (v) expands the types of awards available for issuance under the Plan, but in each of (i) through (v) above only to the extent stockholder approval is required by applicable law or listing requirements.

(a) The Board may suspend or terminate the Plan at any time. No Purchase Rights may be granted under the Plan while the Plan is suspended or after it is terminated.
Any benefits, privileges, entitlements and obligations under any outstanding Purchase Rights granted before an amendment, suspension or termination of the Plan shall not be impaired by any such amendment, suspension or termination except (i) with the consent of the person to whom such Purchase Rights were granted, (ii) as necessary to comply with any laws, listing requirements, or governmental regulations (including, without limitation, the provisions of Section 423 of the Code and the regulations and other interpretive guidance issued thereunder relating to Employee Stock Purchase Plans) including without limitation any such regulations or other guidance that may be issued or amended after the Effective Date, or (iii) as necessary to obtain or maintain favorable tax, listing, or regulatory treatment.

13. **Effective Date of Plan.**

The Plan shall become effective on the IPO Date, but no Purchase Rights shall be exercised unless and until the Plan has been approved by the stockholders of the Company, which approval shall be within twelve (12) months before or after the date the Plan is adopted by the Board.

14. **Miscellaneous Provisions.**

(a) Proceeds from the sale of shares of Common Stock pursuant to Purchase Rights shall constitute general funds of the Company.

(b) A Participant shall not be deemed to be the holder of, or to have any of the rights of a holder with respect to, shares of Common Stock subject to Purchase Rights unless and until the Participant’s shares of Common Stock acquired upon exercise of Purchase Rights are recorded in the books of the Company (or its transfer agent).

(c) The Plan and Offering do not constitute an employment contract. Nothing in the Plan or in the Offering shall in any way alter the at will nature of a Participant's employment or be deemed to create in any way whatsoever any obligation on the part of any Participant to continue in the employ of the Company or a Related Corporation, or on the part of the Company or a Related Corporation to continue the employment of a Participant.

(d) The provisions of the Plan shall be governed by the laws of the State of California without resort to that state's conflicts of laws rules.

   (c) **Purpose.** The Company, by means of the Plan, seeks to secure and retain the services of the group of persons eligible to receive Awards as set forth in Section 1(a), to provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and to provide a means by which such eligible recipients may be given an opportunity to benefit from increases in value of the Common Stock through the granting of Awards.

2. **ADMINISTRATION.**

   (a) **Administration by Board.** The Board shall administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in Section 2(c).

   (b) **Powers of Board.** The Board shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

      (i) To determine from time to time (A) which of the persons eligible under the Plan shall be granted Awards; (B) when and how each Award shall be granted; (C) what type or combination of types of Award shall be granted; (D) the provisions of each Award granted (which need not be identical), including the time or times when a person shall be permitted to receive cash or Common Stock pursuant to a Stock Award; (E) the number of shares of Common Stock with respect to which a Stock Award shall be granted to each such person; and (F) the Fair Market Value applicable to a Stock Award.

      (ii) To construe and interpret the Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Stock Award Agreement or in the written terms of a Performance Cash Award, in a manner and to the extent it shall deem necessary or expedient to make the Plan or Award fully effective.

      (iii) To settle all controversies regarding the Plan and Awards granted under it.

      (iv) To accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

      (v) To suspend or terminate the Plan at any time. Suspension or termination of the Plan shall not impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant.

      (vi) To amend the Plan in any respect the Board deems necessary or advisable. However, except as provided in Section 9(a) relating to Capitalization Adjustments, to the extent required by applicable law or listing requirements, stockholder approval shall be required for any amendment of the Plan that either (A) materially increases the number of shares of Common Stock available for issuance under the Plan, (B) materially expands the class of individuals eligible to receive Awards under the Plan, (C) materially increases the benefits accruing to Participants under the Plan or materially reduces the price at which shares of Common Stock may be issued or purchased under the Plan, (D) materially extends the term of the Plan, or (E) expands the types of Awards available for issuance under the Plan. Except as provided above, rights under any Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

      (vii) To submit any amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of (A) Section 162(m) of the Code regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to Covered Employees, (B) Section 422 of the Code regarding incentive stock options or (C) Rule 16b-3.

Notwithstanding the foregoing, subject to the limitations of applicable law, if any, the Board may amend the terms of any one or more Awards without the affected Participant’s consent if necessary to maintain the qualified status of the Award as an Incentive Stock Option or to bring the Award into compliance with Section 409A of the Code.

(ix) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Awards.

(x) To adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Employees, Directors or Consultants who are foreign nationals or employed outside the United States.

(c) Delegation to Committee.

(i) General. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Committee may, at any time, abolish the subcommittee and/or revest in the Committee any powers delegated to the subcommittee. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revest in the Board some or all of the powers previously delegated.

(ii) Section 162(m) and Rule 16b-3 Compliance. The Committee may consist solely of two or more Outside Directors, in accordance with Section 162(m) of the Code, or solely of two or more Non-Employee Directors, in accordance with Rule 16b-3.

(d) Effect of Board’s Decision. All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

3. SHARES SUBJECT TO THE PLAN.

(a) Share Reserve. Subject to Section 9(a) relating to Capitalization Adjustments, the aggregate number of shares of Common Stock of the Company that may be issued pursuant to Stock Awards after the Effective Date shall not exceed twenty four million (24,000,000) shares (on a pre-split basis). In addition, the number of shares of Common Stock available for issuance under the Plan shall automatically increase on January 1st of each year for a period of ten (10) years commencing on January 1, 2013 and ending on (and including) January 1, 2021, in an amount equal to four and one half percent (4.5%) of the total number of shares of Common Stock outstanding on December 31st of the preceding calendar year. Notwithstanding the foregoing, the Board may act prior to the first day of any calendar year, to provide that there shall be no increase in the share reserve for such calendar year or that the increase in the share reserve for such calendar year shall be a lesser number of shares of Common Stock than would otherwise occur pursuant to the preceding sentence. For clarity, the limitation in this Section is a limitation in the number of shares of Common Stock that may be issued pursuant to the Plan. Accordingly, this Section does not limit the granting of Stock Awards except as provided in Section 7(a). Shares may be issued in connection with a merger or acquisition as permitted by, as applicable, NASDAQ Marketplace Rule 4350(i)(1)(A)(iii), NYSE Listed Company Manual Section 303A.08, AMEX Company Guide Section 711 or other applicable stock exchange rules, and such issuance shall not reduce the number of shares available for issuance under the Plan. Furthermore, if a Stock Award or any portion thereof (i) expires or otherwise terminates without all of the shares covered by such Stock Award having been issued or (ii) is settled in cash (i.e., the Participant receives

A-11.
cash rather than stock), such expiration, termination or settlement shall not reduce (or otherwise offset) the number of shares Common Stock that may be available for issuance under the Plan.

(b) **Reversion of Shares to the Share Reserve.** If any shares of common stock issued pursuant to a Stock Award are forfeited back to the Company because of the failure to meet a contingency or condition required to vest such shares in the Participant, then the shares that are forfeited shall revert to and again become available for issuance under the Plan. Any shares reacquired by the Company pursuant to Section 8(g) or as consideration for the exercise of an Option shall again become available for issuance under the Plan.

(c) **Incentive Stock Option Limit.** Notwithstanding anything to the contrary in this Section 3 and, subject to the provisions of Section 9(a) relating to Capitalization Adjustments, the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options shall be one hundred twenty million (120,000,000) shares of Common Stock (on a pre-split basis).

(d) **Section 162(m) Limitation on Annual Grants.** Subject to the provisions of Section 9(a) relating to Capitalization Adjustments, at such time as the Company may be subject to the applicable provisions of Section 162(m) of the Code, a maximum of two million (2,000,000) shares of Common Stock (on a post-split basis) subject to Options, Stock Appreciation Rights and Other Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least one hundred percent (100%) of the Fair Market Value on the date any such Stock Award is granted may be granted to any Participant during any calendar year. Notwithstanding the foregoing, if any additional Options, Stock Appreciation Rights or Other Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least one hundred percent (100%) of the Fair Market Value on the date the Stock Award are granted to any Participant during any calendar year, compensation attributable to the exercise of such additional Stock Awards shall not satisfy the requirements to be considered “qualified performance-based compensation” under Section 162(m) of the Code unless such additional Stock Award is approved by the Company’s stockholders.

(e) **Source of Shares.** The stock issuable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market or otherwise.

4. **ELIGIBILITY.**

(a) **Eligibility for Specific Stock Awards.** Incentive Stock Options may be granted only to employees of the Company or a “parent corporation” or “subsidiary corporation” thereof (as such terms are defined in Sections 424(e) and (f) of the Code). Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants; provided, however, Nonstatutory Stock Options and SARs may not be granted to Employees, Directors and Consultants who are providing Continuous Service only to any “parent” of the Company, as such term is defined in Rule 405 promulgated under the Securities Act, unless the stock underlying such Stock Awards is treated as “service recipient stock” under Section 409A of the Code because the Stock Awards are granted pursuant to a corporate transaction (such as a spin off transaction) or unless such Stock Awards comply with the distribution requirements of Section 409A of the Code.

(b) **Ten Percent Stockholders.** A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

5. **PROVISIONS RELATING TO OPTIONS AND STOCK APPRECIATION RIGHTS.**

Each Option or SAR shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates shall be issued for shares of Common Stock purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, then the Option shall be a Nonstatutory Stock Option. The provisions of separate Options or SARs need not be identical; provided, however, that each Option Agreement or Stock Appreciation Right Agreement shall conform to (through incorporation of provisions hereof by reference in the applicable Award Agreement or otherwise) the substance of each of the following provisions:

(a) **Term.** Subject to the provisions of Section 4(b) regarding Ten Percent Stockholders, no Option or SAR shall be exercisable after the expiration of ten (10) years from the date of its grant or such shorter period specified in the Award Agreement.

(b) **Exercise Price.** Subject to the provisions of Section 4(b) regarding Ten Percent Stockholders, the exercise price (or strike price) of each Option or SAR shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock.
(e) **Purchase Price for Options.** The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The permitted methods of payment are as follows:

(i) by cash, check, bank draft or money order payable to the Company;

(ii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of the stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(iv) if the option is a Nonstatutory Stock Option, by a “net exercise” arrangement pursuant to which the Company will reduce the number of shares of Common Stock issuable upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price, provided, however, that the Company shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued; provided, further, that shares of Common Stock will no longer be subject to an Option and will not be exercisable thereafter to the extent that (A) shares issuable upon exercise are reduced to pay the exercise price pursuant to the “net exercise,” (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations, or

(v) in any other form of legal consideration that may be acceptable to the Board.

(d) **Exercise and Payment of a SAR.** To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right. The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock equal to the number of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right, and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) the strike price that will be determined by the Board at the time of grant of the Stock Appreciation Right. The appreciation distribution in respect to a Stock Appreciation Right may be paid in Common Stock, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(e) **Transferability of Options and SARs.** The Board may, in its sole discretion, impose such limitations on the transferability of Options and SARs as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options and SARs shall apply:

(i) **Restrictions on Transfer.** An Option or SAR shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Participant only by the Participant; provided, however, that the Board may, in its sole discretion, permit transfer of the Option or SAR in a manner that is not prohibited by applicable tax and securities laws upon the Participant’s request. Except as explicitly provided herein, neither an Option nor a SAR may be transferred for consideration.

(ii) **Domestic Relations Orders.** Notwithstanding the foregoing, an Option or SAR may be transferred pursuant to a domestic relations order; provided, however, that if an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer.

(iii) **Beneficiary Designation.** Notwithstanding the foregoing, the Participant may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company and any broker designated by the Company to effect Option exercises, designate a third party who, in the event of the death of the Participant, shall thereafter be entitled to...
exercise the Option or SAR and receive the Common Stock or other consideration resulting from such exercise. In the absence of such a designation, the executor or administrator of the Participant’s estate shall be entitled to exercise the Option or SAR and receive the Common Stock or other consideration resulting from such exercise.

(f) **Vesting Generally.** The total number of shares of Common Stock subject to an Option or SAR may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option or SAR may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of Performance Goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options or SARs may vary. The provisions of this Section 5(f) are subject to any Option or SAR provisions governing the minimum number of shares of Common Stock as to which an Option or SAR may be exercised.

(g) **Termination of Continuous Service.** Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if a Participant’s Continuous Service terminates (other than for Cause or upon the Participant’s death or Disability), the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Award as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Participant’s Continuous Service (or such longer or shorter period specified in the applicable Award Agreement), or (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR within the time specified herein or in the Award Agreement (as applicable), the Option or SAR shall terminate.

(h) **Extension of Termination Date.** If the exercise of an Option or SAR following the termination of the Participant’s Continuous Service (other than for Cause or upon the Participant’s death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option or SAR shall terminate on the earlier of (i) the expiration of a total period of three (3) months (that need not be consecutive) after the termination of the Participant’s Continuous Service during which the exercise of the Option or SAR would not be in violation of such registration requirements, or (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement. In addition, unless otherwise provided in a Participant’s Award Agreement, if the immediate sale of any Common Stock received upon exercise of an Option or SAR following the termination of the Participant’s Continuous Service (other than for Cause) would violate the Company’s insider trading policy, then the Option or SAR shall terminate on the earlier of (i) the expiration of a period equal to the applicable post-termination exercise period after the termination of the Participant’s Continuous Service during which the sale of the Common Stock received upon exercise of the Option or SAR would not be in violation of the Company’s insider trading policy, or (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement.

(i) **Disability of Participant.** Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if a Participant’s Continuous Service terminates as a result of the Participant’s Disability, the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Option or SAR as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination of Continuous Service (or such longer or shorter period specified in the Award Agreement), or (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR within the time specified herein or in the Award Agreement (as applicable), the Option or SAR (as applicable) shall terminate.

(j) **Death of Participant.** Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if (i) a Participant’s Continuous Service terminates as a result of the Participant’s death, or (ii) the Participant dies within the period (if any) specified in the Award Agreement for exercisability after the termination of the Participant’s Continuous Service (for a reason other than death), then the Option or SAR may be exercised (to the extent the Participant was entitled to exercise such Option or SAR as of the date of death) by the Participant’s estate, by a person who acquired the right to exercise the Option or SAR by bequest or inheritance or by a person designated to exercise the Option or SAR upon the Participant’s death, but only within the period ending on the earlier of (i) the date twelve (12) months following the date of death (or such longer or shorter period specified in the Award Agreement), or (ii) the expiration of the term of such Option or SAR as set forth in the Award Agreement. If, after the Participant’s death, the Option or SAR is not exercised within the time specified herein or in the Award Agreement (as applicable), the Option or SAR shall terminate.

(k) **Termination for Cause.** Except as explicitly provided otherwise in a Participant’s Award Agreement or other individual written agreement between the Company or any Affiliate and the Participant, if a Participant’s Continuous Service is terminated for Cause, the Option or SAR shall terminate immediately upon such Participant’s termination of Continuous Service, and the Participant shall be prohibited from exercising his or her Option or SAR from and after the time of such termination of Continuous Service.
(l) Non-Exempt Employees. No Option or SAR, whether or not vested, granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, shall be first exercisable for any shares of Common Stock until at least six months following the date of grant of the Option or SAR. Notwithstanding the foregoing, consistent with the provisions of the Worker Economic Opportunity Act, (i) in the event of the Participant’s death or Disability, (ii) upon a Corporate Transaction in which such Option or SAR is not assumed, continued, or substituted, (iii) upon a Change in Control, or (iv) upon the Participant’s retirement (as such term may be defined in the Participant’s Award Agreement or in another applicable agreement or in accordance with the Company’s then current employment policies and guidelines), any such vested Options and SARs may be exercised earlier than six months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or SAR will be exempt from his or her regular rate of pay.

6. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS AND SARS.

(a) Restricted Stock Awards. Each Restricted Stock Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company’s Bylaws, at the Board’s election, shares of Common Stock may be (i) held in book entry form subject to the Company’s instructions until any restrictions relating to the Restricted Stock Award lapse; or (ii) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award Agreements need not be identical; provided, however, that each Restricted Stock Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

  (i) Consideration. A Restricted Stock Award may be awarded in consideration for (A) cash, check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or (C) any other form of legal consideration (including future services) that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

  (ii) Vesting. Shares of Common Stock awarded under the Restricted Stock Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

  (iii) Termination of Participant’s Continuous Service. If a Participant’s Continuous Service terminates, the Company may receive through a forfeiture condition or a repurchase right any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination of Continuous Service under the terms of the Restricted Stock Award Agreement.

  (iv) Transferability. Rights to acquire shares of Common Stock under the Restricted Stock Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Award Agreement, as the Board shall determine in its sole discretion, so long as Common Stock awarded under the Restricted Stock Award Agreement remains subject to the terms of the Restricted Stock Award Agreement.

  (v) Dividends. A Restricted Stock Award Agreement may provide that any dividends paid on Restricted Stock will be subject to the same vesting and forfeiture restrictions as apply to the shares subject to the Restricted Stock Award to which they relate.

(b) Restricted Stock Unit Awards. Each Restricted Stock Unit Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Restricted Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit Award Agreements need not be identical; provided, however, that each Restricted Stock Unit Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

  (i) Consideration. At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Common Stock subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Common Stock subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

  (ii) Vesting. At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions on or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.
(iii) **Payment.** A Restricted Stock Unit Award may be settled by the delivery of shares of Common Stock, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement.

(iv) **Additional Restrictions.** At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Common Stock (or their cash equivalent) subject to a Restricted Stock Unit Award to a time after the vesting of such Restricted Stock Unit Award.

(v) **Dividend Equivalents.** Dividend equivalents may be credited in respect of shares of Common Stock covered by a Restricted Stock Unit Award, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional shares of Common Stock covered by the Restricted Stock Unit Award in such manner as determined by the Board. Any additional shares covered by the Restricted Stock Unit Award credited by reason of such dividend equivalents will be subject to all of the same terms and conditions of the underlying Restricted Stock Unit Award Agreement to which they relate.

(vi) **Termination of Participant's Continuous Service.** Except as otherwise provided in the applicable Restricted Stock Unit Award Agreement, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant’s termination of Continuous Service.

(c) **Performance Awards.**

(i) **Performance Stock Awards.** A Performance Stock Award is a Stock Award that may vest or may be exercised contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Stock Award may, but need not, require the completion of a specified period of Continuous Service. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Committee, in its sole discretion. The maximum number of shares covered by an Award that may be granted to any Participant in a calendar year attributable to Stock Awards described in this Section 6(c)(i) (whether the grant, vesting or exercise is contingent upon the attainment during a Performance Period of the Performance Goals) shall not exceed one million (1,000,000) shares of Common Stock (on a post-split basis). The Board may provide for or, subject to such terms and conditions as the Board may specify, may permit a Participant to elect for, the payment of any Performance Stock Award to be deferred to a specified date or event. In addition, to the extent permitted by applicable law and the applicable Award Agreement, the Board may determine that cash may be used in payment of Performance Stock Awards.

(ii) **Performance Cash Awards.** A Performance Cash Award is a cash award that may be paid contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Cash Award may also require the completion of a specified period of Continuous Service. At the time of grant of a Performance Cash Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Committee, in its sole discretion. In any calendar year, the Committee may not grant a Performance Cash Award that has a maximum value that may be paid to any Participant in excess of one million dollars ($1,000,000). The Board may provide for or, subject to such terms and conditions as the Board may specify, may permit a Participant to elect for, the payment of any Performance Cash Award to be deferred to a specified date or event. The Committee may specify the form of payment of Performance Cash Awards, which may be cash or other property, or may provide for a Participant to have the option for his or her Performance Cash Award, or such portion thereof as the Board may specify, to be paid in whole or in part in cash or other property.

(iii) **Board Discretion.** The Board retains the discretion to reduce or eliminate the compensation or economic benefit due upon attainment of Performance Goals and to define the manner of calculating the Performance Criteria it selects to use for a Performance Period.

(iv) **Section 162(m) Compliance.** Unless otherwise permitted in compliance with the requirements of Section 162(m) of the Code with respect to an Award intended to qualify as “performance-based compensation” thereunder, the Committee shall establish the Performance Goals applicable to, and the formula for calculating the amount payable under, the Award no later than the earlier of (a) the date ninety (90) days after the commencement of the applicable Performance Period, or (b) the date on which twenty-five percent (25%) of the Performance Period has elapsed, and in either event at a time when the achievement of the applicable Performance Goals remains substantially uncertain. Prior to the payment of any compensation under an Award intended to qualify as “performance-based compensation” under Section 162(m) of the Code, the Committee shall certify the extent to which any Performance Goals and any other material terms under such Award have been satisfied (other than in cases where such relate solely to the increase in the value of the Common Stock). Notwithstanding satisfaction of any completion of any Performance Goals, to the extent specified at the time of grant of an Award to “covered employees” within the meaning of Section 162(m) of the Code, the number of shares of Common Stock, Options, cash or other benefits granted, issued, retainable
and/or vested under an Award on account of satisfaction of such Performance Goals may be reduced by the Committee on the basis of such further considerations as the Committee, in its sole discretion, shall determine.

(d) **Other Stock Awards.** Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Common Stock, including the appreciation in value thereof (e.g., options or stock rights with an exercise price or strike price less than 100% of the Fair Market Value of the Common Stock at the time of grant) may be granted either alone or in addition to Stock Awards provided for under Section 5 and the preceding provisions of this Section 6. Subject to the provisions of the Plan, the Board shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards.

7. **COVENANTS OF THE COMPANY.**

(a) **Availability of Shares.** During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock reasonably required to satisfy such Stock Awards.

(b) **Securities Law Compliance.** The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards, provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained. A Participant shall not be eligible for the grant of a Stock Award or the subsequent issuance of Common Stock pursuant to the Stock Award if such grant or issuance would be in violation of any applicable securities law.

(c) **No Obligation to Notify or Minimize Taxes.** The Company shall have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Stock Award. Furthermore, the Company shall have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of a Stock Award or a possible period in which the Stock Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of a Stock Award to the holder of such Stock Award.

8. **MISCELLANEOUS.**

(a) **Use of Proceeds from Sales of Common Stock.** Proceeds from the sale of shares of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

(b) **Corporate Action Constituting Grant of Stock Awards.** Corporate action constituting a grant by the Company of a Stock Award to any Participant shall be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is communicated to, or actually received or accepted by, the Participant.

(c) **Stockholder Rights.** No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Stock Award unless and until (i) such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms, if applicable, and (ii) the issuance of the Common Stock subject to such Stock Award has been entered into the books and records of the Company.

(d) **No Employment or Other Service Rights.** Nothing in the Plan, any Stock Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant’s agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(e) **Incentive Stock Option $100,000 Limitation.** To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds one hundred thousand dollars.

A-17.
($100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

(f) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant’s knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant’s own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (A) the issuance of the shares upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (B) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(g) Withholding Obligations. Unless prohibited by the terms of a Stock Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to an Award by any of the following means or by any combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Award; provided, however, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law (or such lesser amount as may be necessary to avoid classification of the Stock Award as a liability for financial accounting purposes); (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; or (v) by such other method as may be set forth in the Award Agreement.

(h) Electronic Delivery. Any reference herein to a “written” agreement or document shall include any agreement or document delivered electronically or posted on the Company’s intranet (or other shared electronic medium controlled by the Company to which the Participant has access).

(i) Deferrals. To the extent permitted by applicable law, the Board, in its sole discretion, may determine that the delivery of Common Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals by Participants will be made in accordance with Section 409A of the Code. Consistent with Section 409A of the Code, the Board may provide for distributions while a Participant is still an employee or otherwise providing services to the Company. The Board is authorized to make deferrals of Awards and determine when, and in what annual percentages, Participants may receive payments, including lump sum payments, following the Participant’s termination of Continuous Service, and implement such other terms and conditions consistent with the provisions of the Plan and in accordance with applicable law.

(j) Compliance with Section 409A. To the extent that the Board determines that any Award granted hereunder is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if the shares of Common Stock are publicly traded and a Participant holding an Award that constitutes “deferred compensation” under Section 409A of the Code is a “specified employee” for purposes of Section 409A of the Code, no distribution or payment of any amount shall be made upon a “separation from service” before a date that is six (6) months following the date of such Participant’s “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) or, if earlier, the date of the Participant’s death.

9. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; OTHER CORPORATE EVENTS.

The Board shall make such adjustments, and its determination shall be final, binding and conclusive.
(b) **Dissolution or Liquidation.** Except as otherwise provided in the Stock Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Stock Awards (other than Stock Awards consisting of vested and outstanding shares of Common Stock not subject to a forfeiture condition or the Company’s right of repurchase) shall terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Common Stock subject to the Company’s repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Stock Award is providing Continuous Service, *provided, however,* that the Board may, in its sole discretion, cause some or all Stock Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Stock Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(c) **Corporate Transaction.** The following provisions shall apply to Stock Awards in the event of a Corporate Transaction unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the Participant or unless otherwise expressly provided by the Board at the time of grant of a Stock Award. In the event of a Corporate Transaction, then, notwithstanding any other provision of the Plan, the Board shall take one or more of the following actions with respect to Stock Awards, contingent upon the closing or completion of the Corporate Transaction:

(i) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation’s parent company) to assume or continue the Stock Award or to substitute a similar stock award for the Stock Award (including, but not limited to, an award to acquire the same consideration paid to the stockholders of the Company pursuant to the Corporate Transaction);

(ii) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to the Stock Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation’s parent company);

(iii) accelerate the vesting, in whole or in part, of the Stock Award (and, if applicable, the time at which the Stock Award may be exercised) to a date prior to the effective time of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective date of the Corporate Transaction), with such Stock Award terminating if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction;

(iv) arrange for the lapse of any reacquisition or repurchase rights held by the Company with respect to the Stock Award;

(v) cancel or arrange for the cancellation of the Stock Award, to the extent not vested or not exercised prior to the effective time of the Corporate Transaction, in exchange for such cash consideration, if any, as the Board, in its sole discretion, may consider appropriate; or

(vi) make a payment, in such form as may be determined by the Board equal to the excess, if any, of (A) the value of the property the Participant would have received upon the exercise of the Stock Award, over (B) any exercise price payable by such holder in connection with such exercise.

The Board need not take the same action or actions with respect to all Stock Awards or portions thereof or with respect to all Participants.

(d) **Change in Control.** A Stock Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant, but in the absence of such provision, no such acceleration shall occur.

10. **TERMINATION OR SUSPENSION OF THE PLAN.**

Unless terminated sooner by the Board, the Plan shall automatically terminate on the day before the tenth (10th) anniversary of the earlier of (i) the date the Plan is adopted by the Board, or (ii) the date the Plan is approved by the stockholders of the Company. services ceases to qualify as an Affiliate, as determined by the Board, in its sole discretion, such Participant’s Continuous Service shall be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party’s sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of (i) any leave of absence approved by the Board or Chief Executive Officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company’s leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.
